## **MANAGEMENT DISCUSSION AND ANALYSIS**

(As per clause 49 of listing agreement)

### **INDIAN ROAD TRANSPORT INDUSTRY**

The road transport contributes to 65 % of the total freight traffic out. The National Highways accounts for 2% of total road network of the country and carrying 40% of total goods and passengers. The total length of Indian road network is approximately 33.00 lacs km. out of which approx 32% is single lane, 56% is double lane and rest is four or more lane standard. The country had only 1.95 lacs km of national (state & national) highway. As per Planning Commission report, the last four year growth rate of GDP and freight movement by road transport goes parallel with 9% rate.

### **OPERATION AND FUTURE OUTLOOK**

Founded in 1984, the company started the business of core transportation & carriage of goods in FTL and Parchoon segment in 1999-2000. Since then it never looks back and achieved its target turnover of Rs. 200 crore for the finance year 2008-09. This period shall ever be remembered as the great global recession period which adversely affects not only the global economy but also Indian too. The recession had crushed the economy, resulting market liquidity crunch, slow productivity, retrenchment, higher inflation rate etc. In comparison to global market and its players, the indigenous industry and service sector was less affected by the recession. During the period the company had not only enhances its turnover but also its client base and its fleet. During the period the company had adopted & installed a new tracking technology "GPRS" for locating and tracking the fleets in operation.

The company's strategy is well thought of and in line with domestic market trend and industry. The company is growing its traditional parchoon market and simultaneously spreading and picking the FTL market segment. The new clients have been introduced and associated with our services. The Company is broadening and condensing its market through out the Indian subcontinent, Nepal and Bhutan.

### **STRENGTH, WEAKNESSES, OPPORTUNITIES & THREATS (SWOT)**

Threat of recession slow downs the economy's expectations. But the changing economic and business conditions, reduced price hikes, increased demand driving the good business prospect in near future. Global bailout packages and government assistance, is now injecting a hope in industry and the consumers. The company's opportunity of sustainable growth and profitability emerges from increased consumer demand and supply of their need.

The government concentration & concern over infrastructural development of country booms the growth opportunity and productivity of associated industries which ultimately increases the possible growth of transport industry. Out of total estimated investment of Rs. 230k crore in infrastructures by Planning Commission, 15% is for road transport infrastructure. It clearly describes the importance & concerns of road transportation and its infrastructure over the economy and industry.

The Indian Road transport industry is on a tremendous growth path however, there is certain thing which determines the Company's growth as enumerated as a SWOT analysis on the Company:

#### **Strength:**

- The large geographic spread of operation not only in urban areas but also in rural and remote unprivileged areas of the country.
- Large customer base of big business houses as well as remote retails.
  
- Experienced and committed workforce associated with the company since last 15-35 years.

- The diversify services in form of FTL, Parchoon loading and household segment through its packers and movers division.
- The company's brand loyalty and visibility in the market.

#### **Weaknesses:**

- Less or non-qualified workforce is the major weakness of industry as well as of the company.
- Increased competitive pressure resulting in wage inflation due to increases competition for experienced and skilled human resources as well freight rate due to immense competition from other companies.
- Breakdowns in telecom links, land sliding, cyclones and floods during rainy season or other natural disaster could temporarily impact over quality of services. .
- Constant socio-communal riot in eastern & north eastern territories and other parts of India becomes major hindrance in quality of services and profitability of the company.
- Dependency of operation on external source of fund, delays in which might affect the expansion plans and day to day operation of the company.

#### **Opportunities**

- Infrastructural Development Investment policies of Central & State governments shall result in higher growth opportunity for transportation business.
- Successful completion of National Highways Projects shall open up new venues and improved service quality.
- The satellite watch over fleets through GPRS system shall also enhance the timely and prompt delivery of consignments to the prospective clients.
- ERP system under development shall, after its installation, improve the quality of documentation, records, billings etc.
- The increased fleets shall ease the operation.

#### **Threat**

- Damages, accident and theft are matter of concern during voyage.
- Natural disturbance inform of floods, cyclone, landslides in major parts of India.
- Due to above two conditions, the claims from clients increases and inflow of revenue decreases and finally resulted into long legal litigation.
- Now a day both economy and industry is facing severe recession, hence become difficult to sustain the business & its growth at par.

#### **INTERNAL CONTROL SYSTEM**

The company has proper Internal Control Procedure commensurate and adequate with its size and business. This system comprises well documented policies, guidelines and authorization and approval procedures. The company has an Internal Audit department which carries out an extensive audit throughout the year. These audit test the adequacy and effectiveness of the internal controls laid down by the management.

#### **RISK MANAGEMENT**

The Indian transport industry is a growing avenue and widely opens for new entrepreneurs. Since the company is one of the pioneers in the industry and among one form its kind of operations, its business is not likely to be materially altered by the entry of new players. The company always keeps itself changing with the changed environment of operation, technology and innovative ideas. Despite, in the challenging environment of the industry, company expect to sustain this tempo over the foreseeable future.

**CONTINGENT LIABILITIES**

The details of the company's contingent liabilities are given in note no 8 of schedule 14 Attached to and forming part of the Balance Sheet as on 31<sup>st</sup> March 2010.

**Cautionary Statement**

Statements in the Management Discussion Analysis Report may be forward looking statement with in the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the company's operation include socio-economic conditions, affection demand/supply and freight rate condition in the market in which company operates. Changes in govt. regulations, policies and other statutes including tax laws are other incidental factors to the growth of company.

## AUDITOR'S REPORT

We have audited the attached Balance Sheet of NORTH EASTERN CARRYING CORPORATION LIMITED as at March 31<sup>st</sup>, 2010, the attached Profit and Loss Account and the Cash Flow Statement for the year ended on that date annexed thereto. These financial statements are the responsibility of the Company's Management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As required by the Companies (Auditors' Report) Order, 2003 issued by the Central Government of India in terms of Section 227 (4A) of the Companies Act, 1956 we annex hereto a Statement on the matters specified in paragraphs 4 & 5 of the said order.

Further to our comments in the annexure referred to in Paragraphs above, we report that:

- (a) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
- (b) In our opinion, the Company has kept proper books of accounts as required by Law, so far as appear from our examination of such books.
- (c) The Balance Sheet, Profit & Loss Account and Cash Flow Statement dealt with by this report are in agreement with the books of account of the company.
- (d) In our opinion, the Profit and Loss Account, Balance Sheet and Cash Flow Statement comply with the mandatory accounting standards referred to in sub-section (3C) of section 211 of The Companies Act, 1956.
- (e) On the basis of the written representations received from the directors of the company and taken on record by the Board of Directors, we report that none of the directors is disqualified as at March 31<sup>st</sup>, 2010 from being appointed as a director in terms of section 274(1)(g) of the Companies Act, 1956.
- (f) In our opinion and to the best of our information and according to explanations given to us, the said account read together with the notes thereon, give the information required by the Companies Act, 1956, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
  - (i) In the case of the Balance Sheet of the state of affairs of the Company as at March 31<sup>st</sup>, 2010 and
  - (ii) In the case of the Profit and Loss Account of the profit of the company for the year ended 31<sup>st</sup> March, 2010

**NORTH EASTERN CARRYING CORPORATION LIMITED**

Annexure to the Auditors Report of the  
NORTH EASTERN CARRYING CORPORATION LTD  
(Referred to in Paragraph 3 of the report of even date)

On the basis of such checks as we considered appropriate and in terms of the information and explanations given to us, we state as under:

1. (a) The company has maintained proper records showing full particulars including quantitative details and situation of the fixed assets.  
  
(b) All the assets have been physically verified by the management during the year and there is a regular program of verification which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. No material discrepancies were noticed on such verification.  
  
(c) During the year, the company has disposed off some of the fixed assets. We are of the opinion that the sale of the said fixed assets has not affected the going concern status of the company.
2. (a) The company is not dealing in any goods therefore there is no inventory.  
  
(b) As already stated, since the company is not dealing any goods, there is no question of procedure of physical verification of stock.  
  
(c) As per information furnished to us, The Company is maintaining proper records of inventory.
3. (a) The company has not granted, any loans, secured or unsecured, to the companies, firms or other parties covered in the register U/s. 301 of the Companies Act, 1956.  
  
(b) As the company has not granted any loans, the question of interest being prejudicial to the interest of the company does not arise.  
  
(c) As the company has not granted any loans, the question of repayment does not arise.  
  
(d) There are no overdue amount of loans granted, if any, to companies listed in the register maintained under section 301 of the Companies Act, 1956.  
  
(e) The company has taken unsecured loans from the companies, firms or other parties covered in the register U/s. 301 of the Companies Act, 1956. The maximum amount involved during the year was Rs.152.01 Lacs and the year-end balance of loans taken from such parties was Rs.84.50 Lacs.  
  
(f) In our opinion, the rate of interest and other terms & conditions on which loans have been taken from the companies, firms or other parties covered in the register U/s. 301 of the Companies Act, 1956 are not, prima facie, prejudicial to the interest of the company.

- (g) The company is regular in repaying the principal amounts as stipulated.
4. In our opinion and according to the information and explanations given to us, there are adequate internal control procedures commensurate with the size of the company and the nature of its business with regard to purchases of fixed asset and sale of services. During the course of our audit, we have not observed any continuing failure to correct major weakness in internal controls.
  5. (a) According to the information and explanations given to us, we are of the opinion that the particulars of contracts or arrangement referred to in section 301 of the Act have been entered in the register required to be maintained under that section.  
  
(b) According to the information and explanations given to us, there are no such transactions made in pursuance to contracts or arrangements which need to be entered in the register maintained U/s. 301 of the Companies Act, 1956 exceeding the value of Rs.5.00 Lakh in respect of any party during the year.
  6. The Company has not accepted any deposits from the public. Therefore, the applicability of section 58A and 58AA of the Companies Act, 1956 and the Companies (Acceptance of Deposits) Rules, 1975 does not arise.
  7. In our opinion, the company has an internal audit system commensurate with its size and nature of its business.
